MATERIAL HANDLING SOLUTIONS

the future of lifting is here...

**BODE**

MATERIAL HANDLING SOLUTIONS

**COMPOSITE TECHNOLOGY**

Hydra-formed rails provide a smooth, consistent rolling trac

**TRAC HANGING POINTS**

Trac can be Ceiling or Post Hung  
Adjusting eye bolts level the trac

**PANEL LOCKING DESIGN**

The *patented* spacer assembly clamps the rails securely, requiring no holes

**SnapTrac Easy Glide Trolley**

**POWER-UP**

SnapTrac trolleys are engineered for a lifetime of use. Custom injection molded wheels with steel shielded bearings that will keep you moving. Power-Up with SnapTrac's internal conductor bar system that powers your lift, cord free.

End caps feature high impact solid rubber stops. Extend your trac with bolt-on joint plates to reach 24' 36' 48' and more of continuous trac.

**Modular End**

**Kit Sizes:**

- 12' Monorail w/Suspension Plates
- 12' X 12' System w/Suspension Plates

Posts, Column Hangers, & Electrical Components sold separately  
Directions included - some assembly required
