

◦ **FLEX-LIP®**

THE **REVOLUTIONARY** DOCK LEVELER LIP

THE **SMOOTHEST** TRANSITION
FROM THE TRUCK BED TO
THE LOADING DOCK FLOOR

TESTED AND PROVEN TECHNOLOGY

Dock Levelers

The FLEX-LIP® has a proven track record of reducing equipment damage, personnel injury and damage to fragile goods.

FLEX-LIP® levelers are installed in loading docks for Walmart, Pepsi, Sanyo, Kohler, Agropur, TNT, Schenker Logistics, Maple Leaf Foods, Wausau Paper, Cardinal Health, just to name a few.

Guaranteed to Outperform

NORDOCK® products outperform competitive equipment and are backed with unequalled structural and performance guarantees.

Our products are designed to require less regular service, adjustment and replacement for the lifetime of the product.

NORDOCK® THE BETTER BUILT ALTERNATIVE

NORDOCK® is a dedicated team of professionals with over three decades of solid performance and a common goal of providing the best possible product for value conscious customers.

We manufacture and distribute a full line of loading dock systems and equipment including dock levelers, vehicle restraints, scissor lifts, truck levelers, dock seals, and a comprehensive line of accessories.

In addition, NORDOCK® has the unique capability to design and manufacture specialty engineered products for loading dock, safety and lift applications.

Because we design and build better products we back them with unequalled structural and performance guarantees.

NORDOCK® products are field tested and proven in thousands of loading dock installations across North America and in selected global markets.
